Pharmaceutical and Nutraceutical Polish and Glaze

Supplying the Pharmaceutical and Nutraceutical Industries with High Quality Coatings

SureGloss

A Protective Exterior coating for Vitamins and Supplements:

- Whether you are sealing, polishing or glazing your vitamins or supplements, our Pharmaceutical and Single Step glazes have you covered! Their superior coat provides a wonderful shine and fast drying for quick and easy packaging.
- An industry recognized Shellac-based glaze providing a superior, high quality shine and gloss, with faster processing from panning to package.

Certified Pharmaceutical Glazes

- Recognized for decades as the standard for high gloss polishing and glazes.

SureGloss Organic

- Organic certified glazes customized to meet your polish and glazing objectives.

Whether applying to pills, tablets or slow release capsules, we can formulate to meet the objectives required. If you are looking at maximizing shelf life, faster processing times and/or just providing a beautiful shine, we have you covered.

Select from our current line of products, or work with our staff to develop a custom coating to meet **your company's specific needs.**
